

Town Of Briarcliffe Acres

On Monday, March 6, 2023, at 5:00pm, the Town Council held a Council Workshop at the Town Hall located at 121 North Gate Road, Myrtle Beach, South Carolina 29572.

Present

**Mayor Pro Tempore
Council**

Peggy Bell
Brian Palliser
Laura Pendley
John Wylie
Kyle Lamparter
Jennifer Newbold
Dave Buonviri

Absent

**Chief of Police
Town Clerk
Mayor**

The media and public were duly notified of the date, time, and place of the Workshop. At 5:00pm, with a quorum present, Mayor Pro Tem Bell called the Workshop to order.

Mayor Pro Tem began the Workshop with a quick overview and purpose of the Agenda.

Discussions followed, beginning with **Mayor Pro Tem Bell**:

Mayor Tempore Bell: Pine Tree Lane cul-de-sac - Bell discussed this with the Mayor and was asked to further the discussion with Councilman Palliser as he has been involved and is aware of multiple issues. Currently, this is placed on the list for Planning Commission recommendations. Until they meet and render their recommendation, the Town will have Vereen Tree Service remove the downed tree and clean up the area.

Coyotes – Will remain on the Agenda until further decision is made about Nuisance Wildlife Specialty.

The Mayor Pro Tem will report on Financials and the Tree Advisory Board at the Town Meeting.

Beautification: She reported that the **flagpole light** is set on a timer and that the **Center Town kiosk** is complete. Stain will be applied once the lumber is dry. Bell is also looking at options to replace the **light posts** for the driveway at the Town Hall.

Councilman Palliser: Lakes – The Councilman will have Total Lake Care move forward with the **tree removal** from the Lake. He and Total Lake Care will begin discussion on projects for the next fiscal year.

Roads – Before and after pictures of roads with new **construction** were discussed. By ordinance, construction companies are responsible for **repairs** once the construction is complete.

Councilwoman Pendley: Technology/Communication – Pendley and the Clerk are continuing to narrow the non-communication list and send correspondence. Councilwoman Pendley is moving forward with **“important communications”** for residents; a Save the Date was sent for the Arbor Day and Fire Wise festivities the last weekend in April. She will wait to report on Santee Cooper outages until after an upcoming meeting.

Yard debris – Discussion about recent discrepancies with the individual yard debris programs was discussed; the Clerk will contact GFL for clarification.

Councilman Wylie: Fire Wise – The event date is set and will combine with Emergency Services and Public Safety awareness, like the event last year.

Roads – Resurfacing dates will be set so that there is no conflict with Fire Wise and roads are complete before Bike Weeks.

Chief Lamparter: Public Safety – The Chief deferred his discussion until **Executive Session**.

Clerk: Reporting - She has completed Category A data entry with **FEMA** for **Hurricane Ian**; other items were discussed in the Workshop.

Ms. Newbold added **Items** to the Town Meeting Agenda.

In Matters Requiring Attention: Mayor Pro Tem suggested having a Workshop dedicated to an overall ordinance review.

During **Public Input**, residents discussed cameras and the Pine Tree Lane cul-de-sac.

The dates and times of the upcoming **Meetings** were announced, and at 5:44pm, Palliser made a motion and Wylie seconded to enter **Executive Session** to discuss **Public Safety security devices**. The vote was unanimous.

At 5:57pm, with no decisions made nor votes taken, Palliser made a motion and Pendley seconded to return to **Regular Session**. This vote was also unanimous.

With no further business to discuss, the Council Workshop **adjourned** at 5:58pm.

Respectfully submitted,

Jennifer B. Newbold

Jennifer B. Newbold
Town Clerk
